Completed in : 2020,2021

- **St.Xavier's College**  
(Palayamkottai, Tirunelveli)

Degree : B.Sc Zoology

Completed : Discontinued after one year

### About Me

Hello, I'm Steffy Alexander. I'm from Sankarnagar, Tirunelveli district. I pursued my schooling at Sri Jayendra Saraswathi Golden Jubilee School in Sankar Nagar. During my first year at St. Xavier's College in Tirunelveli, I learned about the FSSA Academy and decided that it was the best opportunity for me to build a career and support my family. In the future, I aspire to work as a software engineer. Over the past year, I have acquired skills in HTML, CSS, JavaScript, Java, and MySQL. Additionally, I have enhanced my problem-solving abilities while working on both front-end and back-end projects. I thoroughly enjoy collaborating in teams.

### Projects

#### Vee blooms

(HTML , CSS , JavaScript , Java, Servlet and JSP and MySQL)

"**Vee Blooms**" is an online platform that allows customers to buy rare plants and seeds from the comfort of their own homes, with emphasis on seasonal products.
